Allied and Affiliate Membership Application

Thank you for your interest in supporting the mission and objectives of the National Standards Board for Therapeutic Musicians. Your answers to the following questions help the NSBTM understand how your organization may partner with it and how the organizations may best work together.

For Your Information:

Educational affiliate programs provide foundational or further education of students/graduates of accredited programs. Educational affiliates are encouraged to actively participate on the Representative council or on committees. An annual membership fee is required.

Allied Associations are groups or organizations which support or build upon the work of the certified therapeutic musician through research, practitioner support, Arts in Health management, International standards boards for therapeutic musicians, or other organizations on the spectrum of healthcare musicians. Allied Associations are encouraged to actively participate on the Representative council or on committees. An annual membership fee is required.
